In today's law practice, almost all civil cases settle before trial. Negotiation skills are essential. In this unique one day competition open to all California law students, two-person teams from California law schools will negotiate a simulated environmental dispute, judged by environmental lawyers, judges and professional mediators.

## **ELIGIBILITY**

The competition is open to students in all California law schools who have completed their first year of law school. Each law school may enter one team and nominate one alternate team. Teams consist of two students from a law school. For the year 2006 competition, the competition is limited to 20 teams. If more than 20 schools enter teams, the State Bar will select the entrants by lottery. If fewer than 20 schools enter teams, more than one team per school may participate. The State Bar will select additional teams from the list of alternates by lottery. Check with your Law School Dean or faculty contact about the selection process for your school.

## **FORMAT**

Each team will be mailed a copy of the Statement of Facts, the team's Confidential Negotiating Instructions, and the Competition Rules on January 30, 2006. Each team will participate in two 60 minute preliminary rounds. After a lunch break, four teams will advance to the final round. The advancing teams will receive additional Confidential Instructions prior to the final round.

## **PRIZES**

The winning team will receive a cash prize of \$1,000; the second place team, \$500. Both the first and second place teams will receive one year's free membership in the State Bar Environmental Law Section, and recognition in the Environmental Law Section newsletter.

## **REGISTRATION DEADLINE**

The deadline for registering is **January 23, 2006**.

## **REGISTRATION FEE**

Each law school must pay a registration fee of \$225, payable to the State Bar of California.

## **SCORING**

Students will be judged by a panel of environmental lawyers, judges and professional mediators. Scoring criteria include preparation, execution of strategy, teamwork, outcome, oral presentation, and ethics.

## **TRAINING MATERIALS**

Participating students will be provided with a packet of training materials about environmental negotiations.

## **ATTORNEY MENTORS**

The State Bar will attempt to match each requesting team with a volunteer attorney mentor who can assist the team in preparing for the competition. We also recommend that you work with faculty members at your school who specialize in environmental law and/or alternative dispute resolution.
